## A Quiet Night - Tyhoyi Nochi | Score usage guidelines

Thank you for purchasing your digital download of the score and learning resources for A Quiet Night - Tyhoyi Nochi. The piece was conceived to bring people together and we want choirs all over the world to perform it. Where possible, we encourage ensembles to engage with displaced people in their communities by inviting them to join the choir, either in the main ensemble or on the drone line which was written with accessible participation in mind.

We ask that performance plans are shared with us by writing to [tom@sansarachoir.com](mailto:tom@sansarachoir.com) with details so that we can share online and offer any other support as necessary. Please read further usage guidelines below.

### Performance

The score may be used to rehearse and perform the piece. Any venues in which performances take place must be properly licensed by PRS (or the equivalent performing rights organisation in other territories).
